

Support worker checklist for before & after sessions

Please see below the lists of everything you should be doing before and after your sessions-

Before a session

- Request profile – email bookings@time-specialist-support.com and include the service users full first name and last initial so we can be sure who's profile you need.
- Read through the profile, 1-minute feedback form and any extra information provided.
- From the information gathered make a plan for the session
- When in liaison role contact family/support worker(s) at least 48 hours before the session to confirm and make sure they are happy with the plan.
- Double check the activity is open.
- Ask the family, office, or other support workers any questions you need to before the session.
- Plan how you will get to service users house and leave sufficient travel time.

After the session

- When handing the child over let their parent/carer know how the session went- tell them anything they need to be aware of and always try to end on a positive note.
- Fill in the 1-minute feedback form.
- If there has been an incident contact the office and fill out the incident report form.
- Confirm the session on the booking system and if you need to complete an expenses form send it to timesheets@time-specialist-support.com

If anything is unclear or you have any questions please let us know!
